KEY PRODUCT FEATURES AND BENEFITS

- The Winged Bridge Tower is an aesthetically versatile option made to compliment various spaces – the subtle contrast of polished chrome or brass, finished with black end caps, provide a sleek and modern, yet sporty look
- Pure copper coolant lines and cold block maintain chilled beverage temperature, minimizing foam and lost profits
- Insulated dispensing head and shank bushings minimize sweating to keep your bar clean, cool more efficiently for energy reduction, and reduce warm spots in the tower to give you the perfect pour
- Illuminated version Includes illuminated medallions with white badges – brand I.D. badges are available for order separately
- Stainless steel, polished chrome and tarnish-free brass body with black molded ABS end caps
- Faucets and faucet handles not included
