Glass Chillers

Flat Top Bottle Coolers

Slant Top Bottle Coolers

# GLASS CHILLERS

## FR Series Glass Chiller Models

Specifications/Features

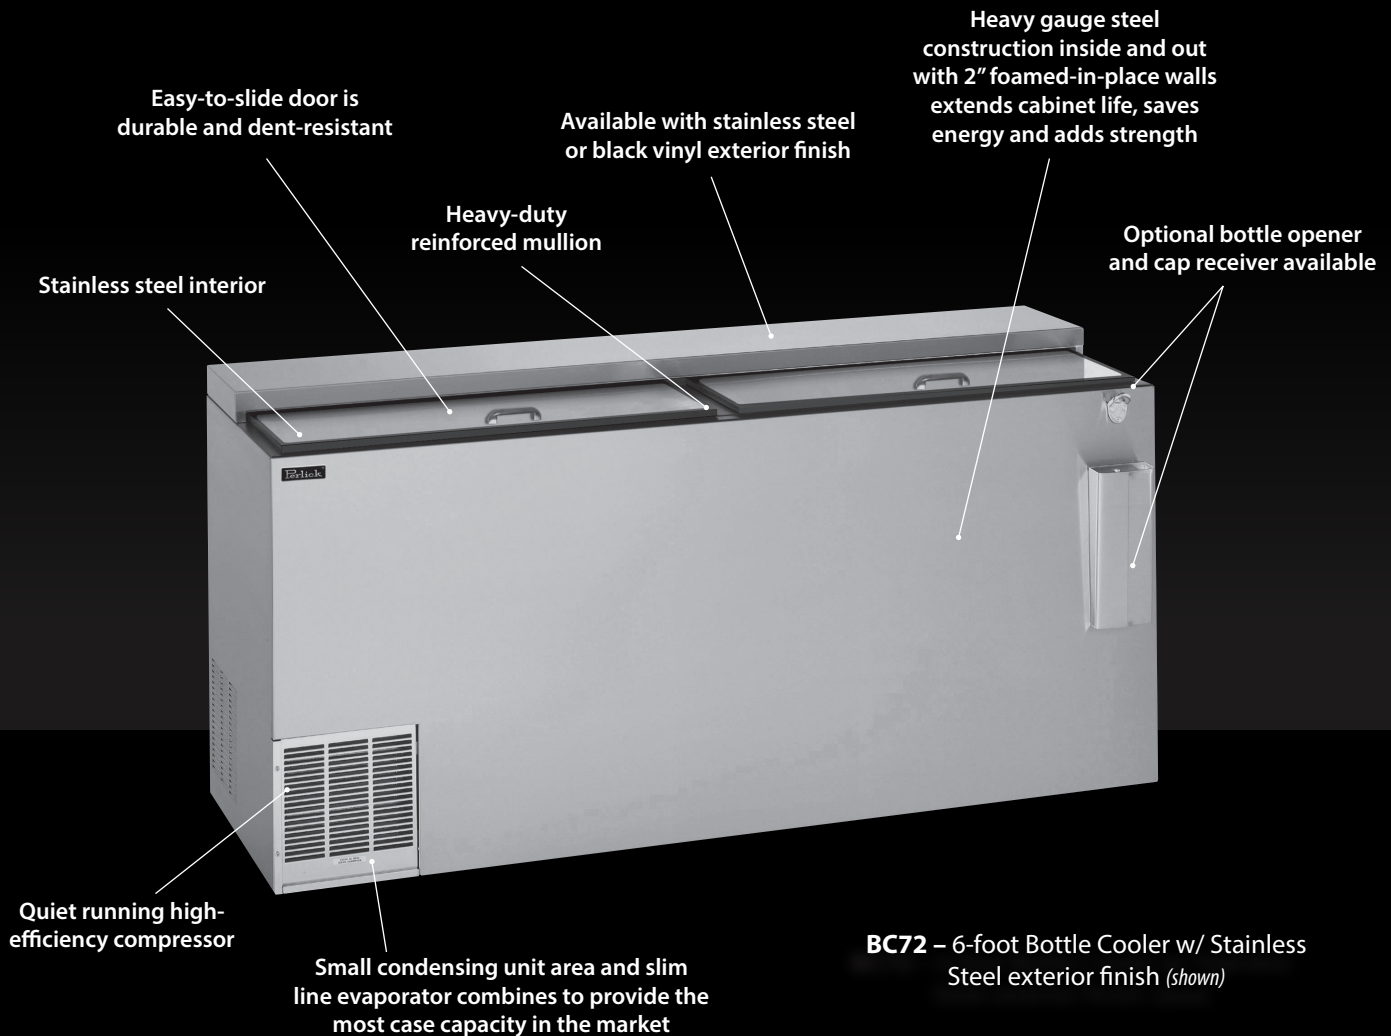

**Models Available:** 2-foot (FR24), 3-foot (FR36), 4-foot (FR48) or 5-foot (FR60)

**Temperature Range:** -10°F– 10°F

**Available Accessories:** Nesting Shelves, Roller Baskets, Light Kit (installed), NSF-listed Thermometer, Legs/Caster/Roller Kits and Full Length Speed Rails

- Multiple functions – Super-chilling for liquor bottles and salad plates
- Push button defrost system – Push a button to activate a 6 hour defrost cycles saving time required to manually defrost the cabinet. Interior floor drain removes melted ice during the defrost cycle.
- 2-inch foamed-in-place insulation saves on energy costs and adds strength
- 24" front-to-back dimension matches depth of stainless steel underbar
- Dependable expansion valve system means quicker pull-downs and dependable efficient cooling

# FLAT TOP BOTTLE COOLERS

## BC/BCLT Series Flat Top Bottle Cooler Models

Specifications/Features

**Models Available:** 2-foot (BC24), 3-foot (BC36), 4-foot (BC48), 5-foot (BC60), 6-foot (BC72) and 8-foot (BC96)

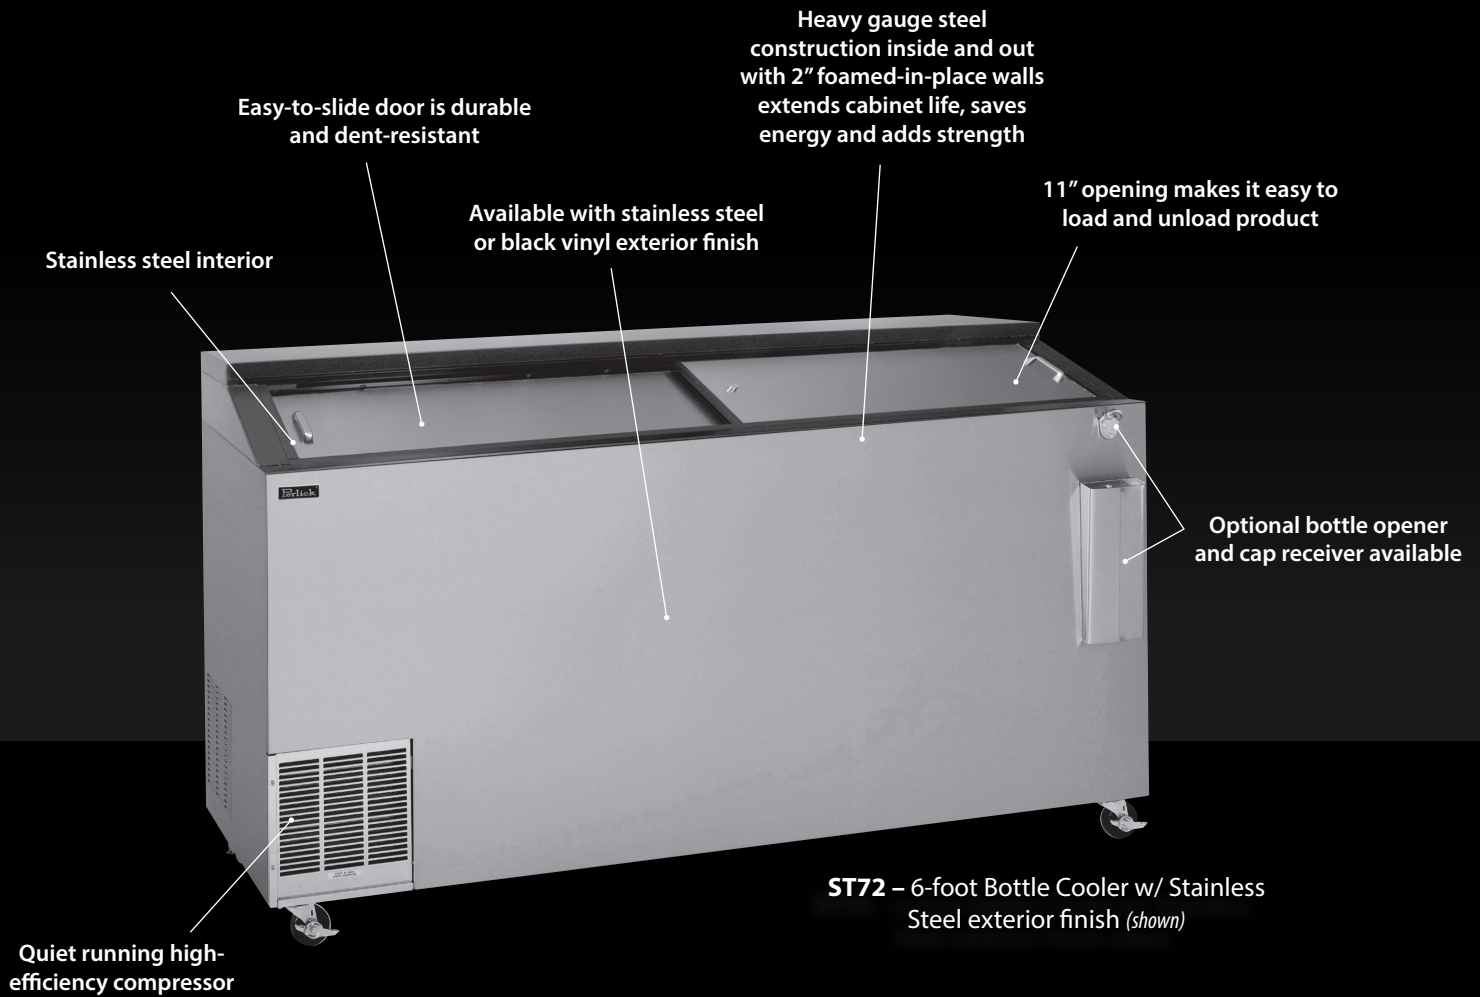

NOTE: All models are also available as low-temp (add LT to above model numbers)

**Temperature:** Standard models factory set to approximately 38°F; Low-temp models 30°F

**Available Accessories:** Nesting Shelves, Roller Baskets, Light Kit (installed), NSF-listed Thermometer, Legs/ Caster/Roller Kits, Full Length Speed Rails, Bottle Opener and Cap Receiver

- Variety of sizes offers more flexibility in bar design
- Plug-in installation; no condensate plumbing required
- Low-temperature models are perfect for super-cold alcoholic beverages. Holds product at approximately 30°F (not recommended for storage of water or soft drinks).
- 2-inch foamed-in-place insulation saves on energy costs and adds strength
- 24" front-to-back dimension matches depth of stainless steel underbar
- Reliable high-efficiency refrigeration system – Unique design chills from the top down
- Optional locks available

# SLANT TOP BOTTLE COOLERS

## ST/STLT Series Slant Top Bottle Cooler Models

Specifications/Features

**Models Available:** 4-foot (ST48) and 6-foot (ST72); Also available as Low-temp models (ST48LT and ST72LT)

**Temperature:** Standard models factory set to approximately 38°F; Low-temp models 30°F
