WHAT MAKES IT A **PERLICK?**

There is a reason that Perlick is regarded as the industry leader in undercounter refrigeration. Unmatched cooling performance is complemented by a bevy of thoughtful design details for convenience and beauty.

24" Signature Series Refrigerator

MEET THE INDUSTRY'S WIDEST SELECTION OF
OUTDOOR REFRIGERATION

With **over 125 models** to choose from, Perlick boasts the largest portfolio of undercounter refrigeration UL-rated for outdoor use. Available in 15- and 24-inch configurations, Perlick refrigerators, beverage centers, wine reserves, beer dispensers, freezers, and ice makers are designed to take your outdoor entertaining space to the next level.

Perlick's patented **Signature Series Dual-Zone** models offer two independently-controlled temperature zones within a single 24″ footprint to make the most of your available space. The **Signature Series Shallow Depth** collection of 18″ depth refrigeration is perfect for balcony patios that require an appliance with a shallow depth.

See below to learn more about what makes Perlick outdoor models special.

A full line of accessories take your Perlick from day to night, including our industry-exclusive **Martini Rack** – perfect for entertaining

Store fresh herbs, citrus, snacks, and beverages in Perlick's industry-exclusive **15″ Signature Series Outdoor Refrigerator Drawers**

Perlick's Anti-Condensation System™ heats the front face of the cabinet, eliminating condensation and extending product life in high humidity environments

Perlick's exclusive Signature Series Flow Control Faucet is constructed of stainless steel and features the industry-exclusive flow control lever to expertly pour your favorite craft beers

RAPIDcool™ forced air-cooled dispensing towers keep beer cold from the keg to the faucet by circulating cold through and around beer lines

The unmatched cooling power of Perlick's **RAPIDcool™ forced-air refrigeration** system keeps food at a safe and consistent temperature – even on hot summer days

Up to 70% faster cooling than leading competitor with the industry-exclusive **RapidCool™** Refrigeration System

BATTLE THE HARSHEST CONDITIONS WITH A
MARINE MATERIALS UPGRADE

––––

Coastal areas are the perfect place for luxury outdoor kitchens, but when presented with the extreme conditions of these environments, salt and sand can take their toll on your outdoor refrigeration equipment. You asked, we listened. Perlick is happy to announce the availability of an all-new Perlick Armor™ Marine Materials Upgrade for our Signature Series equipment, providing optimal corrosion resistance for food and beverage storage safety. Designed for life in even the most extreme coastal conditions, it allows you to enjoy the ultimate in refrigeration wherever you find paradise.

PERLICK MARINE GRADE SIGNATURE SERIES UNDERCOUNTER MODELS

Components of Perlick Armor™

- Mix of all 316 and 304 stainless steel for optimal corrosion resistance food and beverage storage safety

- Upgraded 18-8 stainless steel and zinc plated fasteners ensure rust won't form in attachment zones

- E-coated condensers add durability to the refrigeration system in the most extreme conditions

- Available on all HP and HH Series residential models

Along with the standard Signature Series features:

- Robust 1000 BTU refrigeration system powered by Perlick's exclusive variable speed compressor provides industry-leading cooling capabilities and intuitive temperature control, which means the system will only run when it senses a temperature rise

- Superior construction provides ideal combination of energy efficient operation and powerful refrigeration performance ideal for food and beverage

- Front vented, RAPIDcool™ forced air refrigeration system provides the most energy efficient cool down, up to 70% faster than leading competitors

- Illuminated by dual-color LED lighting, giving you the option of 6000K Crisp White or Cool Blue lighting with just the press of a button

- At 32" tall, the Shallow Depth collection is ADA height compliant for accessible design needs

Photos may vary from actual product.

ELEVATE YOUR
HOME ENTERTAINING EXPERIENCE

—

Perlick's Tobin Ellis Signature Series Residential Mobile Bars bring the best designs featured at the world's top bars and restaurants to the comfort of your own home! Perlick's line of mobile bars will elevate your home entertaining experience while making you feel like a professional mixologist utilizing our "bartender cockpit" design and luxury finishes.

PERLICK MOBILE BAR MODELS

- Homeowners have the ultimate in design flexibility with the option of either the Tobin Ellis designed **Limited Edition** or the **Signature Series Mobile Bars** for the look that matches their home's design aesthetic

- The Perlick Mobile Tap is versatile and flexible for dispensing beverages in venue spaces with two taps and a 24" refrigeration unit that can dispense Nitro coffee or wine, beer and wine, two varieties of wine, or two varieties of beer

- Easily move the bar anywhere inside or outside of your home for expanding your upscale home entertaining needs

- Available in 46", 70" with 2 drainboards, 70" with hand sink configurations, and 70" limited edition with custom finishes

- Features ample lower storage area for glasses, dry goods, canned goods, or beverages

- Bartender cockpit features bottle rail, insulated ice chest, and insulated bottle well

TWO TEMPERATURES. ONE 24″ FOOTPRINT.
DUAL-ZONE REFRIGERATION

Perlick's full line of dual-zone refrigeration boasts two independently controlled temperature zones, serving double duty for the storage and service of your favorite foods and beverages within the same 24″ footprint.

Powered by Perlick's exclusive RAPIDcool forced-air refrigeration system for exceptional cooling performance and sleek, stainless steel interiors for beauty and durability, Signature Series Dual-Zone units are built with form and function in mind. Indoor and UL-approved outdoor freezer/refrigerator drawer, refrigerator/wine reserve, and wine reserve/wine reserve models are available.
TOP ZONE
51°F – 65°F

BOTTOM ZONE
45°F – 65°F

SIGNATURE SERIES DUAL-ZONE
WINE RESERVE

- Store red wine and white wine together in the same unit, both at their ideal temperatures
- Full extension wine shelves are black vinyl coated to gently cradle bottles and reduce vibration
- Top zone (red wine) holds 14 bottles, bottom zone (white wine) holds 18 bottles

24″ Signature Series Dual-Zone Wine Reserve/ Wine Reserve *(model HP24DS-4-4L shown)*

SIGNATURE SERIES DUAL-ZONE
# FREEZER/REFRIGERATOR DRAWERS

- Store fresh and frozen food at their appropriate temperatures in the same small footprint

- Top drawer is deep enough to accommodate a gallon of milk or other similarly sized tall items

- Separate zones ensure freezer temperatures won't be transferred to the top drawer, putting foods and drinks at risk of freezing

24" Signature Series Dual-Zone Outdoor Freezer/Refrigerator Drawers *(model HP24ZO-4-5DL shown)*

TOP ZONE
30°F - 42°F

BOTTOM ZONE
-10°F - 10°F
TOP ZONE
45°F - 65°F

BOTTOM ZONE
33°F - 42°F

SIGNATURE SERIES DUAL-ZONE
REFRIGERATOR/ WINE RESERVE

- Store wine and food (or cold beverages) at their appropriate temperatures

- Accommodates 14 bottles of wine in top zone

- Bottom zone features full extension refrigerator shelf for easy stocking and retrieving of product

BEHOLD THE DELICIOUS DETAILS OF OUR
COLUMN REFRIGERATORS, FREEZERS, AND WINE RESERVES

Our 24″ and 30″ refrigerators feature Perlick's **patented QuatroCool™ cooling system**, offering four independently controlled temperature zones for deli, meat/fish, produce, and beverages. Our **tip out produce bin** features proven food preservation technology that keeps greens fresher and crisper, longer. **Advanced electronic monitoring of humidity levels** adds moisture back into the compartment, while our filtration system removes the gases emitted by fruits and vegetables.

Our freezers offer a commercial-grade, stainless-steel interior, **full-extension open drawer bins,** and **vibrant LED lighting**. It incorporates our quiet, powerful, **frost-free cooling** that has made us the choice of fine commercial venues for more than 100 years. Pair your freezer with the 24″ or 30″ column refrigerator for the ultimate fresh and frozen food preservation system.

Our 24″ Column Single- and Dual-Zone Wine Reserves feature **vibration-resistant soft-coat glide out shelves** and advanced humidity, air filtration, and temperature control. Vibrant blue or white LED roll-on theatre lighting adjusts for display or storage, and emits no UV light to protect against oxidation and degradation. **bronze tinted, UV resistant glass** is Low-E and argon filled, protecting from light exposure which can cause oxidation in wine and degrade it over time. **Advanced technology maintains humidity levels** to preserve corks and prevent oxidation.

Quatro*COOL*™
T E C H N O L O G Y

Perlick QuatroCool™ cooling system keeps food fresh for longer in 4 zones
- Main compartment
- Deli drawer
- Meat and fish drawer
- Tip out produce bin

24″ Column Freezer *(left)* and
24″ Column Refrigerator *(right)*

14

Instead of plastic, **our column refrigeration offers brushed stainless steel and glass interiors**, resulting in a non-porous, easy to clean, and elegant looking appliance

PerlIQ™ touch-screen control panel disappears into the backdrop until it's awoken with a touch. Customize temperature preferences in precise, one degree increments and activate Sabbath mode with the touch of a button.

Tip out produce bin uses advanced electronic monitoring of humidity levels to add real moisture back into the compartment, while our filtration system removes gases emitted by some fruits and vegetables

ADD TO YOUR HOME'S CHARM WITH
INTEGRATION

Homeowners often don't want appliances taking away from their home's visual appeal. Integrating your appliances offers everything from sleek design to space saving solutions. Set your appliances flush with surrounding cabinetry, highlighting Perlick's renowned brushed stainless steel finish, or choose our panel-ready overlay options to complement the aesthetic of your kitchen, family room, back yard, bathroom, or rec room.

24" Signature Series Wine Reserve
with custom wood overlay

AND DON'T FORGET ABOUT
THE BEER

We've spent decades developing proprietary technologies in both refrigeration and beverage dispensing to serve that perfect cold beer to crowds of thousands. You can now enjoy the same experience and quality in the comfort of your own home surrounded by friends and family.

Perlick designed and engineered 630SS and 650SS *(shown)* beer faucets are stainless steel and standard on all models – **it's what the professionals use**

Adjust the speed of the pour for multiple craft beers or when foaming occurs. It's another award-winning **Perlick exclusive** you won't find anywhere else.

Towers are air-cooled with RAPIDcool™ forced-air technology to keep beer cold from keg to faucet

Perlick's exclusive accessories, **S-Series low profile keg couplers,** are available for all beer dispenser models (for Newcastle, Stella Artois, Strongbow, Pilsner Urquell, Heineken, etc.)

THE MOST INNOVATIVE REFRIGERATION SYSTEM IN THE INDUSTRY

RAPIDCOOL™

Perlick has refrigeration down to a science. With a century's worth of experience in designing, engineering, and manufacturing bar and beverage refrigeration for the commercial market, we've mastered the art of building cutting-edge refrigeration systems that balance power and precision. All Perlick models boast RAPIDcool™ forced-air refrigeration, providing the industry's most energy efficient cooling with up to 70% faster cooling speeds than leading competitors. Read on to compare competitor refrigeration systems.
PERLICK RAPIDCOOL™ FORCED-AIR REFRIGERATION
7x

Air is blown with a powerful fan through thousands of aluminum fins, providing superior cooling with 7x the cooling surface compared to cold plate models.

COMPETITOR COLD PLATE REFRIGERATION

Air is blown over a thin aluminum sheet known as a cold plate.

MEET THE
SIGNATURE SERIES

Our flagship collection of undercounter refrigeration, the Perlick Signature Series, comes in a variety of sizes and styles to fit any space and storage need. It's the crème de la crème of undercounter refrigeration, and every Signature Series model is available for indoor or outdoor use.

A REFRIGERATION SOLUTION FOR SPACES WHERE A TRADITIONAL 24″ DEEP UNIT WON'T WORK.

Designers asked and we listened. We designed a cabinet with a slim profile and added our premium Signature Series features to create the **industry's first shallow depth refrigerator**. This industry exclusive collection of undercounter refrigeration measures just **18″ deep** and 32″ tall, ensuring our Shallow Depth units are also **ADA height compliant** for increased design flexibility.

(Left to right) 24″ Signature Series Shallow Depth Wine Reserve, 24″ Signature Series Shallow Depth Beverage Center, 24″ Signature Series Shallow Depth Refrigerator

SIGNATURE SERIES REFRIGERATORS

Perlick proudly offers the industry's widest selection of undercounter refrigerators, making it easier than ever to add point-of-use refrigeration to anywhere inside – or outside – the home. Stainless steel interiors and energy efficient operation makes Perlick the perfect choice for all of your favorite foods and beverages.

FOOD SAFETY

Perlick's exclusive **RAPIDcool™ forced-air refrigeration technology** provides the industry's most energy efficient cool down using less energy while cooling up to 70% faster than leading competitors.

THE BEAUTY OF STAINLESS

Perlick's sleek **stainless steel interiors** are easy to clean and resistant to odors, stains, and mold – it's what the professionals demand in their kitchens.

UNMATCHED SHELVING

Perlick's exclusive **full extension shelves** pull completely out of the cabinet to make stocking and retrieving product easy. Stainless steel ball bearing glides provide smooth movement in and out of the cabinet even when fully stocked.

NO TWO WINE COLLECTIONS ARE THE SAME

Wine is complex. Whether a crisp white or a robust red, all wine is perishable and requires proper conditions to protect it from spoilage. To enjoy wine at its peak, Perlick wine reserves are designed to combat the common enemies of wine: temperature, vibration, oxygen, light, and odor.

SIGNATURE SERIES WINE RESERVES

Whether you are a wine novice or a collector of the finest vintages, Perlick has the answer for the storage and service of your prized bottles of wine. Store up to 45 bottles of your favorite wine in the Perlick patented 24" Signature Series Wine Reserve, or keep a small collection of 20 bottles on hand for gatherings in our 15" Signature Series Wine Reserve.

MEET THE
PERLICK MOBILE SERIES

Perlick offers a full line of mobile products made for when a centralized bar isn't an option. We have the products you need to operate efficiently despite the labor shortage, all designed and built with the quality you can only expect from Perlick.

PERLICK MOBILE BARS AND MOBILE TAP

- Homeowners have the ultimate in design flexibility with the option of either the **Signature Series Limited Edition**, **Signature Series Mobile Bars,** or the **Perlick Mobile Tap** for the look that complements their home's aesthetic

- Easily move the bars anywhere inside or outside of your home for expanding your upscale home entertaining needs

- Available in 46", 70" with 2 drainboards, 70" with hand sink configurations, and 70" limited edition with custom finishes

- Features ample lower storage area for glasses, dry goods, canned goods, or beverages

- Bartender cockpit features bottle rail, insulated ice chest, and insulated bottle well

- Perlick Mobile Tap units include a two-faucet draft arm and a 24" refrigeration unit that can dispense beer, wine, coffee, and nitro infused beverages

ON THE ROCKS WITH
ICE MAKERS

—

Your beverage is only as good as the ice that keeps it cold. Trust Perlick to produce pure ice that lets your cocktails and other beverages shine. Available in clear and cubelet ice styles in both standard and ADA height compliant heights, Perlick indoor/outdoor undercounter ice makers are a must for any well-appointed entertainment space.

CLEAR ICE MAKERS

ICE SHAPE
Rounded, top hat shape

ICE TYPE
Hard, clear, slow melting ice

7/8"

1"
ADVANTAGES
This ice maker produces solid cubes, resulting in clear, slow melting ice that won't dilute your drink as fast as regular ice. The unique shape of each cube isn't just aesthetically pleasing, it also prevents the ice from clumping.

CUBELET ICE MAKERS

ICE SHAPE
Pellet/nugget shape

ICE TYPE
Soft, compacted ice

5/8"
1/2"
5/8"
3/8"
ADVANTAGES
This popular chewable ice absorbs the flavors of the beverages poured over it. It's easy to crunch and is perfect for a wide variety drinks. Cubelet ice is also great for serving specialty foods like seafood.

ALL THE DELICIOUS DETAILS OF
COLUMN REFRIGERATION

—

Perlick's line of column appliances includes 24″ and 30″ column refrigerators, 24″ column freezers, and single- and dual-zone 24″column wine reserves.

(Left to right) 24" Dual-Zone Column Wine Reserve, 24" Column Refrigerator

COLUMN REFRIGERATOR MODELS

- 24" and 30" column refrigerators feature Perlick's exclusive QuatroCool™ Technology, ensuring precision temperature and humidity control in 4 different regions offering dual chamber air filtration throughout.

- Touch screen controls are customizable to one degree increments in all our columns. Enjoy access to smart settings for a variety of fresh and frozen foods, or store your wines at their ideal temperatures. Access settings for lighting, Sabbath mode, and more with a single touch.

- 24" and 30" column refrigerators feature frameless spill proof shelving, tiered deli drawers, tip out produce bins, and slide in stainless steel pans for marinating or storing premade appetizers and sous vide packets.

- Column refrigerators and freezers are brightly illuminated by white roll-on theatre lighting, while wine columns include the option of white and blue roll-on theatre lighting.

- Wine columns are available in an industry-exclusive single temperature model for maximum capacity or a dual-zone model to store red and white wine at their recommended temperatures.

- Wine columns feature a convertible display shelf to showcase 6 prized wine bottles with additional storage for 4 dessert (half sized) wine bottles when angled up. The shelf easily lays flat to store 11 bottles without additional parts and pieces.

- Perlick's advanced technology monitors humidity levels in our wine reserve and, if necessary, pushes additional moisture into the compartment to maintain 60-70% relative humidity and preserve corks and prevent oxidation. Soft coat full extension shelves gently cradle each bottle and protect them from vibration.

- All columns have stainless steel interiors and exteriors for long life durability, easy cleaning, and sanitation. Manufactured ready to accept custom or stainless steel panels.

LOW PROFILE "S" SERIES KEG COUPLER
40030S

Enjoy a wider variety of kegged beer with the Perlick Low Profile "S" Series Keg Coupler. This coupler fits "S" system kegs, which are used by brands such as **Heineken, Newcastle, Stella Artois, Amstel, Bemish, Murphy's, Strongbow,** and **Hofbrau** (just to name a few). This coupler can be used on all Perlick beer dispenser models and is exclusive to Perlick.

DOOR STYLES FOR EVERY DESIGN

Stainless Steel Solid Door — 1

Fully Integrated Solid Door — 2

Stainless Steel Glass Door — 3

Fully Integrated Glass Door — 4

Stainless Steel Drawers — 5

Fully Integrated Drawers — 6

Perlick offers a variety of door styles to complement any design. The numbered image above coordinates with the 'Door Styles Available' column in the Quick Reference chart. All doors are available hinged left or right, and fully integrated overlay panels come ready to accept a custom panel from your millworker to create a seamless look with cabinetry.

- Industry-exclusive convertible door design allows all doors to be converted to overlay from stainless steel
- All doors are field reversible with accessory hinge kit (excluding ice maker models)
- Template available to create a matching overlay toe kick
