

ADA-COMPLIANT REFRIGERATION

Perlick[®]
QUALITY & INNOVATION
THAT **INSPIRES**

The Industry's widest selection of under-counter ADA-Compliant refrigeration!

When it comes to refrigeration, nobody combines form and function quite like Perlick. Perlick proudly offers the industry's widest selection of undercounter refrigeration, with a portfolio that includes refrigerators, freezers, beverage centers, wine reserves and beer dispensers. All models operate quietly, efficiently and dependably thanks to forced-air RAPIDcool refrigeration technology - which also provides rapid cool down of room temperature product in just 30 minutes. Add premium amenities such as full-extension shelving, stainless steel interiors and exteriors, and digital temperature control and you've got a winning combination that will have everyone cheering.

Industry Exclusive features

- Full-extension shelving
- Freezer Drawers
- Zero Clearance hinges
- "Convertible" door design allows for door to accept wood overlay panel

Recessed, protected lighting

Light is recessed into the ceiling to prevent accidental contact with goods. Also hides the bulb for a more elegant look.

2-inch thick insulation

Foamed-in-place insulation for energy efficiency and structural integrity.

All stainless-steel interior

Industry Exclusive stainless steel interior.

Adjustable height, full-extension pullout shelving

Vinyl coating and commercial-grade slides provide an unmatched solution in convenience and reliability.

32-inch height

BEYOND THE BAR

Imagine offering the members of your health club an ice cold bottle of water after a workout, or the clients at your salon and spa a refreshing beverage before they indulge in your beauty services...

Those are just two examples of ways Perlick's line of ADA-Compliant refrigeration can be used outside the bar. Find our high-quality units everywhere that requires undercounter refrigeration. The possibilities are endless!

- Hospitals
- Nursing Homes
- Hotel Rooms
- Day Care Centers
- Coffee Shops
- Delis
- Grocery Stores
- Luxury Suites
- Offices
- Locker Rooms

QUALITY & INNOVATION
THAT **INSPIRES**

18" ADA SHALLOW-DEPTH SERIES

As the leader in innovative undercounter refrigeration, Perlick Corporation introduces the World's First 18" Shallow-Depth line of Refrigerators and Wine Reserves.

This ground-breaking product offering is the perfect fit for a variety of foodservice and hospitality applications where the standard 24-inch depth isn't. Designers, architects and consultants alike now have the ability to place a refrigerator in unique applications such as shallow backbars, credenzas and even stacked on top of a counter.

Customize your unit with door finishes, handles and optional locks. Also available are optional legs and casters to fit these units into any application.

REFRIGERATORS
