The *Spacesaver's* sleek design mounts under the bar top, saving valuable bar space but still allowing for dispensing a variety of beverage options.

The stainless steel exterior ensures the dispensing head is durable while the insulated dispensing head and shank bushings minimize sweating to keep your bar clean, cool more efficiently for energy reduction, and reduce warm spots in the tower to give you the perfect pour.

Quick Features:

- Sleek design mounts under the bar top to save valuable bar space
- Superior construction with stainless steel exterior ensures the dispensing head is durable
- Insulated dispensing head and shank bushings minimize sweating to keep your bar clean, cool more efficiently for energy reduction, and reduce warm spots in the tower to give you the perfect pour
- Space saver is available in 13" and 21" – 13" models can accommodate 2, 3, or 4 faucets – 21" models can accommodate 2 to 7 faucets
- Available with leads out the back or bottom of head
- Drainer is available for purchase separately (underbar beer drainer recommended)
- Faucets not included
